**About Rafaella Resources**

Rafaella Resources Limited (ASX:RFR) as a global developer and explorer of world-class mineral deposits. Rafaella owns the Santa Comba tungsten and tin project in Spain and the McCleery project in Canada. The Santa Comba project is located in a productive tungsten and tin province adjacent to critical infrastructure, is permitted and is currently being fast tracked into production. The McCleery project is a highly prospective and previously underexplored polymetallic exploration project.
